The Board approved the following items:

- Minutes from the August 7, 2019 Board Meeting.
- The 2019 Tax Levy Resolution and Form L-4029.

Turrill Elementary presented Goal #3, Benchmark 3.1.B: “100% of administrators will participate in district Instructional Rounds and assist teacher teams toward high functioning professional learning communities as evidenced by professional development plans and teacher evaluation feedback.” Principal, Scott Warren and Learning Coach, Elizabeth Schuett discussed how they are utilizing *Linking Walks* at Turrill this year to meet this goal. By collaboratively observing other classrooms and monitoring the progress by identifying strengths and celebrating growth they are able to determine the next steps for continued improvement.

Executive Curriculum Director, Michelle Bradford, presented the measurable goals update to the 2018-2019 LCS Board Goals. The main focus was on Goal #3, “100% of administrators will participate in district Instructional Rounds and assist teacher teams toward high functioning professional learning communities as evidenced by professional development plans and teacher evaluation feedback.” In addition, she showcased all of our accomplishments within the surrounding districts and how we compare with districts within Lapeer County in terms of proficiency in state testing and meeting college-ready benchmarks.

As a result of the district data, *Linking Walks* will be utilized this school year in order to develop a shared understanding of specific instructional practices within the buildings in order to reach Board Goal #3.

The Board thanked Turrill Principal, Scott Warren and Learning Coach, Elizabeth Schuett for their presentation and are excited to see the innovative learning taking place there.

In addition, they thanked Michelle Bradford for her presentation and are pleased to see the collaborative effort taking place within the District.

Mike Nolan expressed how important it is for Board Members to lead others in supporting the upcoming bond.

Superintendent Wandrie also thanked Scott Warren and Elizabeth Schuett for their presentation and thanked the Turrill Staff who attended the meeting. In addition, he thanked the District administrators and staff for a great start to the new school year and is looking forward to all the great things that will be taking place in all of our schools.

Mr. Wandrie updated the Board on the many bond presentations that he has led within the Community for the upcoming bond.

Also, he explained that a calculator is now available on the District website making it easier for everyone to calculate what their monthly cost would be for the 2019 Bond Proposal.
