Board members thanked Mrs. Bradford, staff and students for their presentations. Mr. Oyster reminded Board members and those present that we have five candidates running for the opening for State Representative for Lapeer County. He encouraged everyone to scrutinize the candidates so they can be informed prior to voting in the August primary.

Superintendent Matt Wandrie shared that he was honored to be asked by the House Fiscal Agency to help address a solution for funding to districts with declining student enrollment. He is excited to be a part of this and will be submitting a recommendation to the Speaker of the House on Friday.

Mr. Wandrie thanked Mr. Zeeman for organizing a meeting with more than 600 current East and West athletes in order to introduce them to the new fall and winter coaches. It was wonderful to see all the students come together as one group.
