

School Annual Education Report (AER) Cover Letter

April 22, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for Rolland-Warner Campus 6/7 Building. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact, Jennifer Taylor- Building Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site www.lapeerschools.org under the About LCS tab, or you may review a copy in the main office at your child's school.

In looking at our overall data from the Combined Report, Rolland-Warner's instructional focus continues to be on closing the achievement gap between our highest and lowest achieving students across all categories.

Rolland-Warner has undertaken several key initiatives to accelerate student achievement and close the achievement gap.

- Extended School Day Advancement Opportunities
- School Improvement Process
- Full day Professional Development and Data Days
- Professional Learning Communities
- Adolescent Accelerated Reading Initiative
- After School Intervention Support in Reading and Math
- Summer School Programs
- Online Advancement and Remediation
- I-Connect Reading Initiative
- I-Connect Academic Support Initiative
- Year-Round School Calendar

State law requires that we also report additional information.

Status of the School Improvement Plan

Rolland-Warner's school improvement plan was adjusted to meet the needs of its students and to assist in closing the achievement gap of students. Below are the

current school improvement goals. The 2014-15 school is the first year of the combined 6th and 7th grade students. Aggregate data for previous years is not applicable.

Goal 1: Rolland-Warner 6/7 students will demonstrate improved proficiency in reading based on external assessments.

Objective 1- 100% of 6th and 7th grade students will demonstrate a proficiency average increase of 6 RIT points in Reading by 06/12/2015 as measured by as measured on the NWEA-MAPS Reading Assessment from fall 2015 to spring 2016 scores.

Goal 2: Rolland-Warner 6/7 students will demonstrate improved proficiency in mathematics based on external assessments.

Objective 1- 100% of 6th and 7th grade students will demonstrate a proficiency average increase of 5 RIT points in Mathematics by 06/12/2015 as measured by the NWEA-MAPS Mathematics Assessment from fall 2014 to spring 2015 scores.

Goal 3: The perception of positivity of the school by students, staff, and parents will increase and office disciplinary referrals will decrease over three school years.

Student Achievement Results

In addition to the state testing data that can be found in our district AER report or in the MiSchoolData report, Rolland-Warner also has information from local assessments.

Our 6th and 7th grade students took the NWEA-MAPS suite of tests at the beginning and the end of the school year. Our school uses the standard growth model provided by NWEA-MAPS as our model for meeting our growth goal.

6 th Grade MAPS	2013-14		2014-15	
	Avg. Score	Avg. Growth	Average Score Spring 2015	Average Growth Fall-Spring 2015
LANGUAGE	N/A	N/A	212	7.4

ELA	N/A	35.8%

MSTEP	2013-14 Proficiency	2014-15 Proficiency
MATH	N/A	19.7%
ELA	N/A	34.2%
Science	N/A	19.1%

Process for Assigning Pupils to a School

Students attending Lapeer Community Schools are assigned to school buildings based on their residence. Parents may request that their children attend a different building by completing an *In-District Schools of Choice Request* and submitting it to any school building in the district. Details regarding the Schools-of-choice process can be obtained from the district website, www.lapeerschools.org.

Specialty Programs and Schools

Specialized schools provide alternative educational opportunities for students on either a part-time or full-time basis. In addition to the regular K-12 program provided by Lapeer Community Schools, the district has students attending five specialized school programs: Special education for the most severely handicapped students, Community High School, Lapeer County Educational and Technical Center and two options utilizing the Year-Round calendar at both the K-5 and 6-8 grade levels.

- The Lapeer Intermediate School District offers programs for the most severe mentally, physically and emotionally impaired students. Most of these programs are housed at the Lapeer County Educational and Technical Center.
- Lapeer Community High School serves “at-risk” youths ages 14-18 in an alternative environment. The school provides a curriculum designed to develop employability and social skills as well as academic skills. A range of services address problems such as poor attendance, poor academic performance and behavioral issues.
- The Center for Innovation at the West Campus is a program that will offer series of project based learning classes, a Project Lead the Way science program for students in grades 6-12, college on campus courses, and other programs. Many students in grades 6-12 will opt to spend a portion of their day at the CFI campus in order to take advantage of these many educational options.
- The Lapeer County Educational and Technical Center provides vocational education and related services to high school students from all of the county high schools. Students in the 15 programs learn job specific skills to help them prepare for employment upon graduation. They also learn academic skills in an applied setting.
- Lapeer Community School’s Year-Round Middle School is a program for students in grades 6-8 that operates on a balanced calendar. Students attend school the same number of days as traditional calendar students, but have a shorter summer break and more frequent week-long breaks during the school year. This program is housed at Rolland-Warner Campus 6/7 building during August. Students in grades 6-8 will begin their year on this campus and then students in grade 8 will relocate to the Zemmer 8/9 campus in September. Approximately 200 students participated in the Year-Round Middle School program this past school year.
- Turrill Year-Round Elementary School is a program for students in grades E5-5 that operates on a balanced calendar. Students attend school the same number of days as traditional calendar students, but have a shorter summer break and more frequent week-long breaks during the school year. During these week-long breaks, students can opt to attend intercession camps for a nominal fee. Turrill has over 450 students that take advantage of this option for their elementary school years.

Core Curriculum

The core curriculum of Lapeer Community Schools is modeled after the Michigan Department of Education’s (MDE) K-12 Curriculum and Standards. Our teachers have developed and continue to work on pacing guides, lesson plans and assessments to align with MDE grade or course level specific expectations. To access the core curriculum online, visit <http://www.mich.gov/mde>; click on Curriculum & Instruction

on the menu, and then select Grade Level or High School Content Expectations.

Parent Teacher Conferences

During the 2014-15 school year, Rolland-Warner conducted two sets of parent-teacher conferences. One during the fall and one in the spring. The fall conferences took place over two evenings while the winter conferences took place on one night.

Year	Fall	Winter
	% Parents	% Parents
2013-14	N/A	N/A
2014-15	25%	14%

In closing, Rolland-Warner Campus 6/7 Building, is continuing to work and grow in meeting the needs of all of our students. We are continually looking for ways to not only meet the needs of our struggling students, but to help all students grow. Our overall goal is to continue striving to close our achievement gaps and to move all of our students towards proficiency and beyond. Our dedicated staff combined with quality curriculum and instruction is working to meet the needs of all of our students. With a continued focus on improving instruction and curriculum I look forward to see the long term growth and success at Rolland-Warner Building 6/7 campus.

Sincerely,

Jennifer Taylor

Principal

Rolland-Warner Campus 6/7 Building
