

Blast OFF into Outer Space!

Intercession 3: March 27th - April 2nd

This week will be out of this world!

Students will have a chance to learn and explore outer space through hands on activities and technology. We will be turning the halls and classrooms of Turrill into our own outer space adventure. Students will have the opportunity to experience the Star Lab that is presented by Lapeer High School.

Price:

\$110.00 for the first student AND \$100.00 for each additional child

Price with Child Care:

\$125.00 for the first child AND \$115.00 for each additional child

Days/Time: (Monday-Friday)

March 27th-April 2nd, 2015; 8:44am-3:40pm

Transportation:

Provided

Meals:

Free Breakfast each day in the cafeteria starting at 8:40am. Lunch at your regular school cost

Registration:

Complete the registration form and submit payment (cash or check) for the intercession to the Turrill office not later than 4pm on Thursday, March 19, 2015. Payment can also be made on Payschool under the Intercession tab.

Childcare:

Child care is available starting at 6:30am and ending at 6pm through Kids and Co. If you are not pre-registered with Kids and Co. there is a \$50 registration fee. Transportation is not provided for care before/after intercession hours.

- PTC has offered a limited amount of partial scholarships. If you are in need please let us know ASAP.
- Intercession will be cancelled if Lapeer Community Schools is cancelled due to weather/emergency.
- If school is cancelled credits for future intercession will be issued.
- There will be no refunds or credit offered once intercession begins.

Turrill Intercessions:

An Opportunity for all students to extend classroom learning through engaging, exploratory enrichment activities.
